Writing Prompt #2

You are on your way to summer camp when your dad takes a wrong turn. Just about the time you think you will be lost in the woods forever, you see smoke from a campfire. How do you convince your dad to stop and check it out? What happens next?

Writing Prompt #3

You are helping your family dig up some ground in the backyard for a garden, and you find a sealed container. The lid is stuck, but you finally pry it off. What do you find inside the container? Who buried the container, and why?
